

# FRC Logistics

## Capability Statement

## Core Competencies

### What We Do

Freight Rate Central is a shipping logistics company based in Idaho and serving all 48 contiguous states. We have agreements with thousands of carriers guaranteeing low, bulk rates for shipping within states, between states and coast-to-coast. Our job is to make sure that shipments stay on schedule and on budget.

- 1 Full Truckload Services**  
FRC Logistics can connect clients with one-off or regularly scheduled full truckload services from any pick-up point to any destination.
- 2 Less-Than-Truckload (LTL) Services**  
FRC Logistics provides a full range of services for LTL shipments, including instant online tracking.
- 3 Specialized Shipping Services**  
FRC Logistics provides transportation services for refrigerated loads, heavy hauling, liquid hauling, oil field hauling, cargo and freight containers, oversized equipment and assemblies and more. We pride ourselves on being able to connect our clients with a full range of trailer and trucking types, including customized solutions.

## Differentiators

### What Sets Us Apart

- 1 Low Cost Shipping**  
FRC Logistics offers deeply discounted freight and trucking rates, the lowest you'll find anywhere. We are able to pass our low overhead and bulk, industry shipping rates on to our clients.
- 2 Technology Done Right**  
FRC Logistics uses the latest technology for scheduling and freight management. With our instant, fully automated online quotation system, there's no need to wait for someone to create an estimate or call you back. The technology does it all. Both truckload and less-than-truckload clients can track their shipments' progress, minute-by-minute, online.
- 3 Personal, Professional Service**  
At FRC Logistics, high technology meets personal service. Aided by the best software in the industry, FRC staff members are free to work directly with clients, finding the right solutions for unusual requirements, meeting challenges and keeping both clients and carriers in the loop. Our clients know us by name and know they can depend on us to go that extra mile.

## Past Performance

### We've Been Recognized

- FRC Logistics holds an "A" rating from the Better Business Bureau.
- FRC Logistics was rated 8.9 out of 10 on Trustpilot as of October 2015.

**FRC Logistics** is a small company that serves clients all over the US.
